Please remember that all times are approximate. After the first couple of weeks of school, the time for pick up and take home will be better established. Take home times can vary by 10-15 minutes depending on who rides the bus each night, so please plan accordingly. We will wait only one minute at each stop. For younger riders,.....Please have an adult VISIBLY present at designated drop off point and time in the afternoons so drivers can be assured that students are not being left alone. If driver cannot verify an adult is home they will keep the student on the bus and return them to school at the end of the route. Covid procedures will be in place to start the year. **Masks will be required for all riders and students will have assigned seating.**
